Student Spotlight: Madeline Pillow

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

State National 4-H Congress scholarship winner.

Pillow will be attending the National 4-H Congress in Atlanta, GA later this month where she will participate in educational programs and tours. She will also attend a ceremony to be recognized for her advanced achievements in 4-H.

Christina Derbes, Dietetics Instructor, brought Pillow's achievement to the college's attention and stated, "I am very proud of my student's hard work and accomplishments. Madeline, keep it up; we love seeing you succeed!"

[BRTC Acquires Virtual Reality Headsets Through Grant](#)

By Elizabeth Collins on Dec 06, 2021 08:00 am

Chuck Coe, BRTC Gunsmithing Instructor

POCAHONTAS, AR Dec. 6— Black River Technical College’s Career & Technical Center recently received 5 TransfrVR (Oculus Virtual Reality) headsets through a grant opportunity from the Office of Skills Development, Arkansas Division of Workforce Services.

The virtual reality headsets will be used in technical programs and in corporate & community training. The college will be able to use the headsets during recruitment events as well. The BRTC faculty and staff member who will be using the technology in their classes attended a training on Friday, November 5th.

Foundation

By Elizabeth Collins on Dec 03, 2021 08:00 am

Scotty and LeAnne Burgess

POCAHONTAS, AR Dec. 3— A Scotty Burgess EMT/Paramedic Scholarship has been established through the Black River Technical College Foundation.

Scotty Ray Burgess was a longtime Emergency Medical Technician (EMT) in Randolph and surrounding counties before working in industrial construction as an industrial site safety professional. As an industrial safety professional, Scotty analyzed industrial working environments for potential hazards in order to improve the safety of the facility to workers. He spent 20 years traveling across the United States improving the working environment of industrial employees.

Scotty was married to LeAnne Burgess for 25 years. They lived in Pocahontas with their children Jessica, Savanna, and Tyler. After a 30-year battle with diabetes, 7 of those years spent enduring kidney failure, Scotty received a kidney transplant in 2017. In December 2020, Scotty lost his battle with COVID-19.

field.

[BRTC's Career and Technical Center Students Hear from Guest Speakers in Various Occupations](#)

By Elizabeth Collins on Dec 01, 2021 08:00 am

Jana Caldwell, Guest Speaker

POCAHONTAS, AR Dec. 1—During the month of October, Black River Technical College’s Career and Technical Center (CTC) students, high school juniors and seniors earning college credit, heard from guest speakers in various occupations.

On October 15, BRTC’s CTC students heard from local realtors, Beth Cupp of Doty Real Estate in Paragould and Jana Caldwell of Carter Realty in Pocahontas. Cupp and Caldwell shared that buying a home is the largest purchase in most people’s lifetime and explained the importance of a good credit score, what FHA and Rural Development loans are, and the necessity of homeowner’s and renter’s insurance.

On October 22, Craig Weisenbach, foreman, and Lyndal Hutsell, safety manager, of Clay County Electric spoke to the class. Weisenbach and Hutsell discussed career opportunities in their field, ranging from being a journeyman lineman to working in human resources, IT, or customer service.

Later in the day on the 22nd, students also learned about various careers in the healthcare industry from BRTC faculty and staff, Jason Linam, Director of Respiratory Care; Dana Clay, Academic Advisor for Allied Health; and Christina Derbes, Dietetics Instructor.

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

the volunteers who took time out of their day to speak to the CTC students by stating, “I truly appreciate the speakers’ willingness to come to campus and share valuable information with BRTC students.”

For more information about the Career and Technical Center, contact Darena Kersey by phone at (870) 248-4000, ext. 4184 or by email at darena.kersey@blackrivertech.edu, or visit http://blackrivertech.org/about/departments/career_and_technical_center.

Four BRTC Employees Change Positions within the College

By Elizabeth Collins on Dec 09, 2021 08:00 am

POCAHONTAS, AR Dec. 9— Four BRTC employees have changed positions within the college. Black River Technical College is pleased to announce that Linda Anderson has accepted the position of Payroll & Human Resources Specialist, Mr. Jason Crow has accepted the position of Skilled Trades Assistant, Lisa Robertson has accepted the position of Fiscal Support Specialist- Accounts Payable, and Tamela Thurman has accepted the position of Adult Education Instructor.

Anderson, previously employed as BRTC's Fiscal Support Technician, started her new position on October 1. She is a 2013 home school graduate who received an Associate of Arts degree in General Education from BRTC in 2016.

Crow vacated his previous position of Maintenance Assistant and began working in his new position on November 2. He is a 1997 graduate of West Side High School and attended Delta Technical Institute from 1997-1999. Before accepting a position at BRTC, Crow was self-employed in the HVAC industry.

of Crowville High School in Crowville, Louisiana. She was the owner of Lisa's Gift Shop and Boutique in Pocahontas.

Thurman started her new position on November 1. Previously, she was the SNAP E & T Coordinator on the Paragould campus. Thurman earned a Bachelor in Music Education from Union University in 1982 and a Master of Education from Southwest Baptist University in 1994.

For more information about employment opportunities at BRTC, visit <https://blackrivertech.org/employment>.

[BRTC Celebrates National Apprenticeship Week](#)

By Elizabeth Collins on Dec 15, 2021 08:00 am

PARAGOULD, AR Dec. 15— To celebrate the U.S. Department of Labor’s annual National Apprenticeship Week (NAW), Paragould Local Electrical Apprenticeship program hosted a dinner for the Electrical Apprenticeship students at Black River Technical College’s Paragould campus.

Established by The U.S. Department of Labor, NAW celebrates the impact apprenticeships have in helping Americans learn skills for jobs in growing industries. This nationwide celebration offers leaders in business, education, and labor a chance to express their support of apprenticeship programs and apprentices to the community. More than 600 events and activities will take place across the country During NAW spanning across multiple industries including electrical,

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Instructors Mark Graftenreed and Dennis Gregory and BRTC Electrical Coordinator Patricia Sanderson treated each electrical apprentice to a dinner provided by Ironhorse Barbeque. Afterwards, the students participated in a codebook and a wire connector challenge, electrical challenges created by the instructors. The winners of the challenges were awarded prizes provided by the Paragould Local Electrical Apprenticeship.

For more information about the Electrical Apprenticeship Program, visit <https://blackrivertech.org/workforce-corporate-and-community-training/pocahontas-corporate-community-education/electrical-apprenticeship-program>.
